NON-COMPETITIVE EXHIBITS:

As is customary, there will be a 'non-competitive' table for the display of those plants ineligible for competition under the 12 month rule or whose owners do not wish to enter them competitively. Members having such plants are warmly encouraged to offer them for display.

The following commercial organisations will also be staging displays, with plants and sundries for sale:

Orchids by Peter White Ratcliffe Orchids Ltd Burnham Nurseries Ltd

General Notes

1. **Note Registration is now 9.00 am - 10.30 am**
2. It is essential you fill out the attached Registration Form before you submit your plants for registration. Make sure you print all details clearly and accurately. (Spare forms are available to download from the BOS website)
3. You will note on page 2 the Dorset Cup is now awarded to the Best Oncidium and not Odontoglossum. Due to recent changes in nomenclature the genus Odontoglossum no longer exists and therefore all plants with this name should now be called Oncidiums. As this is a recent change the judges will still accept plants labelled Odontoglossum.
4. PLEASE ENSURE THAT YOUR PLANTS ARE FREE FROM PESTS. If necessary get a friend to help you. We are sorry, but plants found to be infected could be disqualified..
5. The usual plea (but as valid as ever): Do please bring as many orchids as possible for the show tables and the non-competitive display, also as many Tombola prizes as possible.

REMEMBER, THIS IS YOUR SHOW! PLEASE SUPPORT IT AND ENCOURAGE OTHERS TO DO SO, TOO!

Let's all enjoy ourselves again!
